

The Viridian Gold Jewelry Store Pre-Pay Purchase Plan

In order to assist our customers who do not wish to make a full payment with a credit card or bank check, Viridian Gold offers the Pre-Pay Purchase Plan. This is not a “layaway” plan, but is instead a pre-payment plan. Here is how it works:

- a. You are pre-paying for your items to purchase them at a future date—the cost of your items today will probably not be the same as their cost on the day you finish your pre-payment because of the fluctuations in gold, silver and platinum prices. You will be charged whatever the prices are on our website on the day we ship your items. If you have pre-paid more than your items cost, the difference will be fully refunded by including a check with your shipment.
- b. Your items will be shipped to you after they are fully paid for and all of your checks have cleared our bank—it is therefore required that you use certified checks (ask your bank) or money orders for payments, rather than personal checks. You may also make periodic payments using your credit or debit card by completing the Credit/Debit Card Authorization Form below.
- c. If any of your items become unavailable (discontinued) while you are pre-paying for them, your money will be fully refunded—we will contact you if this happens.
- d. You will have up to 6 months to pay for your items. If you have not completed your payments by that time, we will contact you and your money will be refunded, minus a cancellation fee of 5% of the money you have pre-paid so far. You will pay no other fees for this Pre-Payment Plan.
- e. Your total purchase must be at least \$200.00, but no more than \$2,000.00, and you must make a first payment of at least \$50.
- f. You may cancel the Pre-Pay Purchase Plan at any time and we will refund your money, less the 5% cancellation fee—no cancellation fee will be charged if the items become unavailable.
- g. You may request a Purchase Plan balance statement via email at any time. You will automatically receive a statement when your account balance reaches your target amount.

Here is how you start:

1. Print this 4-page document. The last page is an example of how to fill out the form.
2. Determine the item(s) that you wish to purchase, place them in the website shopping cart by clicking the Buy Now button. Be sure you have selected ring sizes and gold color so that your items and costs are accurately recorded in the shopping cart.
3. If engraving is required, be sure to enter that data from our engraving page, which can be found in the lower section of the green left hand navigation bar on each web page.
4. Click the Proceed to Checkout on the shopping cart page and fill in all of the required address information. Unless the item is shipping to Texas and/or you select some other shipping method than “free shipping”, there will be no added costs.
5. You will not enter any data into the credit card blanks.
6. Now, copy the necessary information from the checkout page onto the Pre-Pay Purchase Application form. Please fill out this form completely.
7. Select a “Target Amount” to be your payment goal—it should be slightly more than your order total to allow for possible future price increases.
8. If you wish to use a credit/debit card for some or all of your payments, you must fill out the authorization form and make a copy of your card as instructed.
9. Mail the form(s) and copy of card (if required) to the address provided, and if paying by check or money order, include this first payment check with the form.
10. We will notify you by email when your form is received and your Purchase Plan begins.
11. If you wish to use PayPal, you may send payments to CS@ViridianGold.com

This form enrolls you in our Pre-Pay Purchase Plan, whereby you send us regular payments towards your future purchase of items from our store. Please read these instructions and mail the completed form(s) to the address below; if you have questions, contact us at 800-757-6027 or CS@ViridianGold.com. You should make a copy of the completed forms for your own records.
